INTRODUCTION

This is book two in the ‘Awakening Songs’ series of worship choruses written by Rev. Tim Gibson.

All these songs may be used in congregational worship for praise and worship, to bless the heart of God and see our own hearts awakened for Him.

Every song will have a short write up concerning the manner in which it was given by the Lord and relevant Scriptures it was inspired from.

Any resemblance to other choruses is unintentional as each song was not based on any previous one.

Chorus:

I Am Crucified With Christ

Based on Galatians 2:20, this song was written in 1997 to go along with a sermon on the same passage. It's a wonderful declaration of a truth we are, as born again Christians, to claim and live in by faith .

G D C G
I am crucified with Christ,

C G
It's no longer I that liveth

C D
But Christ that lives in me.

G D C G
I am crucified with Christ,

Who loved me...

C G D
And gave Himself for me,

C D G
Christ in us the hope of glory.
